

Caboose Cup™ Am-Am Charitable Golf Outing

Sunday, March 3, 2024

LA PALOMA COUNTRY CLUB and
THE WESTIN LA PALOMA RESORT & SPA

Finally, an event that you can brag to your buddies about! If you like to enjoy a few cocktails with your friends on the golf course, while supporting a good cause, then you do not want to miss your opportunity to play in this 4 person scramble.

Join us on Sunday, March 3rd for the 4th anniversary of the **Caboose Cup™ Am-Am Charitable Golf Outing**. Held at the prestigious La Paloma Country Club in Tucson, AZ, this event was created to bring groups of friends together to enjoy a day playing the very same golf course that the PGA TOUR Champions Legends of the Game will play later that week. Experience great food, drinks, free giveaways and tickets to watch the pros play at the Cologuard Classic by Exact Sciences!

Charitable Golf Outing Mission:

The mission of the event is to demonstrate that colorectal cancer is preventable, treatable, and beatable through screening efforts, education, and accessibility.

HIGHLIGHTS OF THE DAY INCLUDE:

- Speeches by colorectal cancer awareness groups and survivor stories.
- Participants will have the opportunity to learn more about colorectal cancer awareness through interactive expos located strategically throughout the course.
- A portion of your purchase will be directed back to local Tucson colorectal cancer awareness charities.

Let us all do our part to ensure equal and timely access for effective treatments and accurate diagnoses to improve patient outcomes and drive dollars for charity!

DID YOU KNOW?

- Colorectal cancer is third most diagnosed cancer in men and women.
- Colorectal cancer is the second most common cause of cancer death in the United States.
- When caught early, Colorectal cancer is treatable in 90% of people.
- Cologuard® is an easy, noninvasive colon cancer screening test you can use at home. It's the only FDA-approved test based on stool DNA science and finds 92%* of colon cancers. Plus, it's covered by Medicare and most major insurers.
- If you are age 45 years or older, and are at average risk for colon cancer, you should begin your screening process.
